

European norms and Standards

purpose, effect and challenges

Task of the day:

- You have been divided into 6 internationally mixed groups.
- Use the texts given to you and other information available on the internet to create a presentation explaining and discussing the subjects of the slides in this Sheets-document.
- Be very critical of the origins of the information you find on your own.
- You are welcome to add relevant slides to the presentation.

You have until 11:00 to complete the task. At 11:00 your assigned teacher will randomly choose which group/groups is to present to the others.

- at the end of the week your knowledge of the subjects will be tested.

What is the purpose of the European Union?

What is the European single market?

What is the purpose of European norms and standards:

Give some examples of European standards and their purpose:

How does single market standards effect the ordinary peoples of Europe?

How does single market standards effect trade in Europe?

Challenges with and criticism of European norms and standards?:
